

## COPE

Community Parent  
Education Program

Tuesdays, 6:30 - 8:30 PM

Jan 20 - Mar 10 (8 weeks)

New Westminster Children's Centre

*A FREE 8 week training program for parents with children ages 3-12 years*

This workshop will be helpful for parents of children who display challenging behaviours, and may include (but is not limited to) parents of children with Attention Deficit Hyperactivity Disorder (ADHD), Oppositional Defiant Disorder (ODD), or Conduct Disorder (CD). The program focuses on using an active problem solving method to increase parent confidence when dealing with these behaviours.

### Facilitators:

Ashlee Daidone- Child & Family Development Consultant

Lindsey Daudelin- Key Worker with the Complex  
Developmental Behavioural Conditions Program

### To Register
