

New Westminster Early French Immersion Parent Night

Why Choose Early French Immersion for your child?

If your child is entering Kindergarten in September 2016, one of the important decisions you will make is whether you want to put in an application for your child for Early French Immersion.

What is the program like? What can my child expect? Does the teacher speak French 100% of the time? How can I help my child? One way to help answer these questions is to attend the information meeting on Thursday, November 5th.

Thursday, November 5th, 2016 [6:30-7:30]
